Int. No. 436

By Council Member Constantinides

A Local Law to amend the administrative code of the city of New York, in relation to requiring an agency designated by the mayor to maintain a database of the occupancy and vacancy of all community facility spaces

Be it enacted by the Council as follows:

Section 1. Subchapter 1 of chapter 1 of title 3 of the administrative code of the city of New York is amended by adding a new section 3-119.1 to read as follows:

§ 3-119.1 Database of community facility spaces. a. Definitions. For the purposes of this section, the term "community facility space" means any building or portion of a building designated for specified community facility uses pursuant to sections 12-10, 22-13, and 22-14 of the zoning resolution.

b. An agency designated by the mayor shall maintain a public online searchable database that shall include all community facility spaces within the city that are in existence as of the effective date of the local

law that added this section and all locations within the city that are subsequently designated as community

facility spaces. Locations that are subsequently no longer designated as community facility spaces shall be

deleted from the database. Updates to such database shall be made within six months following any addition or

change to the data in such database. Such database shall be posted on the city's website, shall have the ability to

produce reports by query, shall be published to the city's open data portal, and shall include, but not be limited

to, the following information:

1. The location of the community facility space, including the borough, community board district, block

and lot number, and any commonly known name;

2. A brief description of the type of community facility space;

3. The name and address of any current occupants of the community facility space, or alternatively the

status of vacancy; and

4. Any other information deemed relevant by the agency designated by the mayor to maintain such

database.

c. No later than one year after the local law that created this section takes effect, and annually thereafter,

the department of information technology and telecommunications shall certify to the agency designated by the

mayor to maintain the searchable database established pursuant to this section that such database is

substantially complete online and in the open data portal with respect to the categories of information required

by this section.

§ 2. This local law takes effect 1 year after it becomes law, except that the agency designated by the

mayor, as set forth in section one of this local law, and the department of information technology and

telecommunications may take such measures as are necessary for the implementation of this local law,

including the promulgation of rules, before such date.
