A Local Law to amend the New York city charter, in relation to division of labor services employment reports

Be it enacted by the Council as follows:

Section 1. Paragraph 2 of subdivision e of section 1305 of chapter 56 of the New York city charter, as added by local law 61 for the year 1991, is amended to read as follows:

e. 2. An employment report shall include, but not be limited to, employment practices, policies[,] and procedures, including those related to preventing and addressing sexual harassment, statistics and collective bargaining agreements. The contracting agency shall transmit the employment report to the commissioner after the selection of a proposed contractor or subcontractor. The commissioner shall review all employment reports to determine whether such contractors and subcontractors are in compliance with the equal employment opportunity requirement of local, state and federal law and executive orders.

§ 2. This local law takes effect 60 days after it becomes law; provided, however that the commissioner shall take all action necessary for its implementation, including the promulgation of rules, before such date.
