Int. No. 702

## By Council Member Van Bramer

A Local Law to amend the administrative code of the city of New York, in relation to installing pumpout facilities to establish the city's coastal waters as no-discharge zones

# Be it enacted by the Council as follows:

Section 1. Section 22-112 of the administrative code of the city of New York is amended by adding a

# new subdivision f to read as follows:

f. 1. Definitions. For purposes of this subdivision, the term "pumpout facility" has the meaning ascribed

## to such term in the environmental conservation law.

2. Plan to establish no-discharge zones. (a) No later than March 1, 2017, the department of

#### environmental protection shall create a written plan to establish all of the city's coastal waters as no-discharge

zones.

(b) The plan shall consider the existing number and locations of pumpout facilities in or adjacent to the city's coastal waters, and determine the number of additional pumpout facilities required to establish a nodischarge zone in each coastal body of water in the city, and the necessary locations of such additional pumpout facilities.

<u>3. Every calendar year until all of the city's coastal waters are designated as no-discharge zones, the</u> department of environmental protection shall install at least three public pumpout facilities. The department of environmental protection shall prioritize installing pumpout facilities in or around the bodies of water with the lowest number of necessary additional pumpout facilities required to establish them as no-discharge zones, as identified pursuant to subparagraph (b) of paragraph 2 of this subdivision.

4. By March 1 of every year until all of the city's coastal waters are designated as no-discharge zones, the department of environmental protection shall update the plan created pursuant to paragraph 2 of this subdivision and report to the mayor and the council on the pumpout facilities installed in the 12 months preceding the report, the pumpout facilities to be installed in the 12 months following the report, an assessment of priorities pursuant to paragraph 3 of this subdivision and an assessment of progress toward establishing all of the city's coastal waters as no-discharge zones.

5. The department of environmental protection shall ensure that all no-discharge zones continue to meet federal eligibility criteria for no-discharge zones promulgated pursuant to the clean water act.

§ 2. This local law takes effect immediately.
