Int. No. 1123

By Council Members Holden, Borelli, Brannan, Dromm, Rodriguez and Ulrich

A Local Law to amend the administrative code of the city of New York, in relation to building permit classifications and certificate of occupancy requirements

Be it enacted by the Council as follows:

Section 1. Item 2 of section 28-105.2 of the administrative code of the city of New York, as amended by local law 141 of 2013, is amended to read as follows:

2. Alteration permits: For the alteration of buildings or structures, including new and existing sign structures and partial demolition in conjunction with such building or structure. Such alteration permits are further classified as follows:

2.1 Alteration type 1 permits: for the alteration of buildings or structures requiring an amended or new certificate of occupancy, or having a cost of \$125,000 or more.

2.2 Alteration type 2 permits: for the alteration of buildings or structures involving multiple work types, but not requiring an amended or new certificate of occupancy and not having a cost of \$125,000 or more.

2.3 Alteration type 3 permits: for the alteration of buildings or structures involving only one work type and not requiring an amended or new certificate of occupancy, and not having a cost of \$125,000 or more.

§ 2. This local law takes effect 120 days after it becomes law, except that the commissioner of buildings may take such measures as are necessary for its implementation, including the promulgation of rules, prior to such date.
