No later than

c. The department of education report shall include, but need not be limited to, the following information, provided that no information shall be reported in a manner that would violate any applicable provision of federal, state or local law relating to the privacy of information respecting juvenile delinquents, juvenile offenders or adolescent offenders or that would interfere with law enforcement investigations or otherwise conflict with the interests of law enforcement. If a category contains between 1 and 5 such delinquents or offenders, or allows another category to be narrowed to between 1 and 5 such delinquents or offenders, the number shall be replaced with a symbol. The report shall include data about juvenile delinquents, juvenile offenders and adolescent offenders, in total and disaggregated by category.

1. The number and percentage of juvenile delinquents, juvenile offenders and adolescent offenders enrolled in educational programming at department of education sites. Such number and percentage shall be reported for each month. Such percentage shall be calculated on the final day of each month by dividing the number of juvenile delinquents, juvenile offenders and adolescent offenders enrolled in educational programming by the respective number of juvenile delinquents, juvenile offenders and adolescent offenders in custody on such date.

2. The number of hours of compulsory educational programming offered to juvenile delinquents, juvenile offenders and adolescent offenders on each school day and the curriculum subject areas included in educational programming.

This data about juvenile delinquents, juvenile offenders and adolescent offenders shall be disaggregated by category and not reported in total.

10. The number and percentage of juvenile delinquents, juvenile offenders and adolescent offenders who are enrolled in educational programming and have individualized education programs. 17. The average and median number of credits that juvenile delinquents, juvenile offenders and adolescent offenders enrolled in high school educational programming accumulate while in custody. This

paragraph only applies to those juvenile delinquents, juvenile offenders and adolescent offenders who are in custody for a sufficient period during the reporting period to have earned credits.
