Be it enacted by the Council as follows:

Section 1. Subdivision a of section 17-169 of the administrative code of the city of New York is amended by adding a new paragraph 3 to read as follows:

3. When the license to practice medicine of an attending physician listed on a given birth record has been surrendered or revoked by the New York state office of professional medical conduct, then upon request by either (i) the person whose birth the record documents, if eighteen years of age or older, or that person's legal representative or (ii) the parent or legal representative of a person under the age of eighteen whose birth the record documents, the department shall issue a certified copy of the birth record with the identity of such physician redacted. Such request shall be made in the form or manner to be provided or approved by the department. Nothing in this paragraph requires a court order.
