

to such incident.

Response time. The term "response time" means the sum of dispatch time and travel time.

Travel time. The term "travel time" means the interval of time between the assignment of a police unit and the arrival of the first police unit at the scene of the non-critical vehicular crash.

2. No later than June 1, 2019, and every month thereafter, the department shall complete a study of response times to non-critical vehicular crashes, including, but not limited to, those involving pedestrians, and shall file with the mayor and the speaker of the council, and post on the department's website, a report disclosing the following:

(a) The amount of time between the 911 call, dispatch time, and response time;

(b) Whether any pedestrians were involved in the non-critical vehicular crash; and

(c) Whether any injuries were sustained due to the non-critical vehicular crash.

3. All the information reported pursuant to this subdivision shall be disaggregated by police precinct, borough and zip code.

4. No later than December 1, 2019, and every December 1 thereafter, the police commissioner shall submit to the mayor and the council recommendations to reduce department response times to non-critical vehicular crashes.

§ 2. This local law takes effect immediately.
