A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of transportation to erect signs at the beginning and end of parking regulation zones

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-175.7 to read as follows:

§ 19-175.7 Parking regulation zone signs required. a. Definitions. For the purposes of this section, the term "regulation zone" means the part of the street covered by a parking restriction.

b. Where a parking regulation zone affects a portion of the street, the department shall post signs at the locations where the parking regulation begins and where such regulation ends. Such signs shall include arrows clearly marking the parking regulation zone. The department is not required to post signs at the end of the area when the parking regulation zone extends to the end of the street.
