By Council Members Matteo, Yeger, Rosenthal, Lancman, Holden, Kallos and Menchaca

A Local Law in relation to license, permit, consent and registration renewal extensions, and requiring at least 45

days notice for renewal following the COVID-19 emergency

Be it enacted by the Council as follows:

Section 1. a. The mayor or his designee shall publish a list of any license, permit, consent or registration

issued by a city agency that, to the extent reasonably ascertained by the mayor or such designee, is not within

the scope of section 4 of the mayor's emergency executive order number 107, published April 14, 2020, as

amended. Such list shall be published on the city's website no later than 14 days after the enactment of this

local law.

b. An agency that administers any license, permit, consent or registration that has been extended by

section 4 of the mayor's emergency executive order number 107, published April 14, 2020, as amended, shall

not require such license, permit, consent or registration to be renewed for at least 45 days after it is no longer

subject to such emergency executive order, during which time notice of the requirement to renew shall be

provided on the website of such agency. Any such license, permit, consent or registration shall be deemed to be

further extended during such time period. Notwithstanding the foregoing, for any license, permit, consent or

registration that expired or required renewal on or after March 12, 2020 and had a term of less than 45 days, the

extension provided by this subdivision shall be for at least the term of such license, permit, consent or

registration.

§ 2. This local law takes effect immediately.
