Resolution approving the application submitted by the New York City Department of Housing Preservation and Development ("HPD") and the decision of the City Planning Commission, ULURP No. C 200188 HAK, approving the designation of an Urban Development Action Area, an Urban Development Action Area Project, and the disposition of city-owned property located at 641 Chauncey Street (Block 3444, Lot 18), Borough of Brooklyn, Community District 4, to a developer selected by HPD (L.U. No. 668; C 200188 HAK).

By Council Members Salamanca and Adams

WHEREAS, the City Planning Commission filed with the Council on August 24, 2020 its decision dated August 19, 2020 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development ("HPD") pursuant to:

1. Article 16 of the General Municipal Law of New York State for:
 - a. the designation of property located at 641 Chauncey Street (Block 3444, Lot 18) as an Urban Development Action Area (the "Project Area"); and

b. approval of an Urban Development Action Area Project for the such area (the “Project”);
and

2. Section 197-c of the New York City Charter for the disposition of such property to a developer to be selected by HPD;

which in conjunction with the related action would facilitate the development of a new four-story building containing approximately eight units of affordable housing at 641 Chauncey Street in the Bushwick neighborhood of Brooklyn, Community District 4, (ULURP No. C 200188 HAK) (the “Application”);

WHEREAS, the Application is related to application 20205415 HAK (L.U. No. 667), a real property tax exemption pursuant Section 577 of Article XI of the Private Housing Finance Law;

WHEREAS, the City Planning Commission has certified its unqualified approval of UDAAP pursuant to Article 16 of the General Municipal Law;

WHEREAS, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State and Section 197-d of the City Charter;

WHEREAS, by letter dated August 14, 2020 and submitted to the Council on August 17, 2020, HPD submitted its requests (the “HPD Requests”) respecting the Application, including the submission of the project summary for the Project (the “Project Summary”);

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision and the HPD Requests on September 10, 2020;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration issued on October 18, 2019 (CEQR No. 16HPD099K) (the “Negative Declaration”).

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Article 16 of the General Municipal Law of the New York State and Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report C 200188 HAK and incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law and subject to the terms and conditions of the Project Summary.

The Council approves the disposition of the Disposition Area under Section 197-d of the New York City Charter, to a developer to be selected by the New York City Department of Housing Preservation and Development for the development of the Project consistent with the Project Summary.
