Res. No. 1445-A

By Council Members Salamanca and Moya (by request of the Mayor)

Authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for the provision of telecommunications services.

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications (“DoITT”) as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, pursuant to Section 363 of the Charter (the “Charter”) of the City of New York (the “City”), the Commissioner of DoITT has made the initial determination of the need for franchises for telecommunications services; and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for the granting of such franchises pursuant to Section 363 of the Charter;

WHEREAS, the Council has determined that the granting of such franchises will promote the public interest, enhance the health, welfare and safety of the public and stimulate commerce by assuring the widespread availability of telecommunications services;

WHEREAS, the City and the Council recognize the pressing need to expand broadband access opportunities to all New Yorkers, particularly more affordable broadband options;

The Council hereby resolves that:

A. The Council authorizes DoITT, or any successor thereto, to grant non-exclusive franchises for the installation of cable, wire and/or optical fiber and associated equipment in the inalienable property of the City (including through pipes, conduits and similar improvements thereto) to be used in providing one or more telecommunications services (as that term is defined in Section C of this resolution) in the City.

B. For purposes of this resolution, “inalienable property of the City” shall mean the property designated as inalienable in Section 383 of the Charter. References herein to facilities “in the inalienable property” shall mean facilities located on, over or under the surface of such inalienable property.

C. The public services to be provided under such franchises shall be one or more “telecommunications services”, defined for the purposes of this resolution as the transmission of voice, data, information service and/or video signals, or any other form of wire communications or radio communications (as such terms are defined in subsections 59 and 40, respectively, of Section 3 of the federal Communications Act of 1934, as amended, or successor provisions thereto) but for purposes of this resolution “telecommunications services” shall not include any of the following: (i) “cable television services: as defined in the authorizing resolution adopted by the Council on May 15, 2012 as Resolution No. 1334, or any successor resolution thereto; (ii) “mobile telecommunications services” as defined in the authorizing resolution adopted by the Council on March 9, 2016 as Resolution No. 935 or any successor resolution thereto; and (iii) “public pay telephones” as defined in the authorizing resolution adopted by the Council on December 21, 2009 as Resolution No. 2309 or any successor resolution thereto.

E. The authorization to grant franchises pursuant to this resolution shall expire on the fifth anniversary of the date on which this resolution is adopted by the Council (the “Expiration Date”). No franchises shall be approved pursuant to this resolution by DoITT, the Franchise and Concession Review Committee, or the Mayor pursuant to this resolution after the Expiration Date.
