By Council Members Salamanca and Moya

WHEREAS, the City Planning Commission filed with the Council on February 19, 2021 its decision dated February 17, 2021 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development ("HPD") pursuant to Article 16 of the General Municipal Law of New York State regarding:

WHEREAS, the Application is related to applications C 210070 ZMQ (Pre. L.U. No. 739), a zoning map amendment from C4-4 to a Special Mixed Use District (MX-21:M1-4/R6) and N 210071 ZRQ (Pre. L.U. No. 740), a zoning text amendment to establish a Special Mixed Use District (MX-21);

WHEREAS, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

WHEREAS, by letter dated January 5, 2021 and submitted to the Council on March 16, 2021, HPD submitted its requests (the “HPD Requests”) respecting the Application including the submission of the project summary for the Project (the “Project Summary”);

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision and the HPD Requests on February 23, 2021;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application; and

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Article 16 of the General Municipal Law of the New York State, based on the environmental determination and the consideration described in the report (N 210069 HNQ) and incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission and the HPD Requests.

The Council finds that the present status of the Project Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law.

The Council approves the designation of the Project Area as an Urban Development Action Area pursuant to Section 693 of the General Municipal Law.

The Council approves the project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

4.	BASIS OF DISPOSITION PRICE: Phases with affordable housing: Nominal. Sponsor will pay one dollar per lot and deliver a note and mortgage for the remainder of the appraised value ("Land Debt"). For a period of at least thirty (30) years following completion of construction, the Land Debt or the City's capital subsidy may be repayable out of resale or refinancing profits. The remaining balance, if any, may be forgiven at the end of the term.	
	Phases without affordable housing: Negotiated. May include a purchase money note and mortgage and a credit for any City-approved infrastructure or site improvement costs that are paid by the Sponsor.	
5.	TYPE OF PROJECT:	New Construction
6.	APPROXIMATE NUMBER OF BUILDINGS:	11 multifamily
	and/or mixed-use buildings	190 one- and two-family homes

7. **APPROXIMATE NUMBER OF UNITS:** 1,650 including 1,320 affordable units and 330 market rate units
8. **HOUSING TYPE:** Rental and Homeownership
- Approximately 5% of the affordable units may be cooperative homeownership units, with the remaining units to be rental units. All market rate units will be homeownership units.
- If any affordable homeownership unit remains unsold at the end of the marketing period and HPD determines in writing that (i) a sale is not feasible within a reasonable time, and (ii) a rental fallback is the best available alternative, then Sponsor may operate units as rental housing in accordance with the written instructions of HPD.
9. **ESTIMATE OF INITIAL RENTS/PRICES:** Rents for affordable units will be affordable to households with annual household incomes between 30% and 130% of the area median income (AMI). All affordable rental units will be subject to rent stabilization.
- Sales prices for any affordable homeownership units will be affordable to families with annual household incomes between 80% and 130% of AMI.
10. **INCOME TARGETS:** For affordable rental units, 30% to 165% of AMI
- For any affordable homeownership units, 80% to 130% of AMI
11. **LIENS FOR LAND DEBT/CITY SUBSIDY:** For any affordable homeownership units, each of the Land Debt and the amount of any construction financing provided through loans from the City ("City Subsidy") will be secured by a mortgage on the Disposition Area. Upon conversion to a cooperative, the HDfC cooperative will repay the Land Debt and City Subsidy, if any, attributable to the property by delivering a note and mortgage and/or conditional grant agreement to the City. At such time, HPD may unsecure or forgive all or a portion of the Land Debt, and unsecure, but not forgive, all or a portion of the City Subsidy, based on the appraised value of a homeownership unit and/or, in the case of forgiveness of Land Debt, if HPD determines that the forgiveness is necessary to reduce the taxable consideration for a unit. The sum evidenced by the note and secured by the mortgage will be reduced to zero upon maturity of the Land Debt and City Subsidy, respectively, if the owner has complied with the program's restrictions.
12. **PROPOSED FACILITIES:** Approximately 290,000 square feet of commercial, approximately 25,300 square feet of community facility, approximately 10,000 square feet of manufacturing, approximately 3.3 acres of private open space, approximately 35 acres of public open space, improvements to infrastructure and existing streets
13. **PROPOSED CODES/ORDINANCES:** None
