Be it enacted by the Council as follows:

Such report shall include, at a minimum:

1. The projects for which design-build contracts have been awarded;

2. The project identification number for each such project;

3. Which agencies are involved in such projects;

4. How such projects are overseen;

5. The progress of such projects; and

6. An estimate of how much time and money has been saved by the use of design-build for such projects.
