Resolution approving with modifications the decision of the City Planning Commission on ULURP No. C 210438(A) ZSM, for the grant of a special permit (L.U. No. 906).

By Council Members Salamanca and Moya

WHEREAS, 250 Seaport District, LLC, filed an application pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 74-743(a)(1) to allow the distribution of total allowable floor area without regard for zoning lot lines; and Section 74-743(a)(2) to modify the height and setback requirements of Section 62-341 (Development on land and platforms), Section 35-652 (Maximum height of buildings and setback regulations), and Section 23-662 (Maximum height of buildings and setback regulations), and the street wall location requirements of Section 35-651 (Street wall location) in connection with a proposed mixed use development on property located at 250 Water Street (Block 98, Lot 1), in a C6-2A District, within a Large-Scale General Development generally bounded by Pearl Street, Peck Slip, Water Street, Beekman Street and its easterly prolongation, the U.S. Pierhead line and John Street and its easterly prolongation (Block 73, p/o Lot 10, p/o Lot 8, Lot 11 & a portion of Marginal Street, Wharf or Place, Block 98, Lot 1, Block 74, p/o Lot 20, and the de-mapped portions of Fulton Street, Water Street & Front Street), in C4-6, C5-3, and C6-2A Districts, which in conjunction with the related action would facilitate the development of a mixed-use building with 547,000 square feet of zoning floor area located at 250 Water Street

(Block 98, Lot 1) in the South Street Seaport area of Lower Manhattan, Community District 1 (ULURP No. C 210438(A) ZSM) (the “Application”);

WHEREAS, the City Planning Commission filed with the Council on October 22, 2021, its decision dated October 20, 2021 (the “Decision”) on the Application;

WHEREAS, the Application is related to application N 210439 ZRM (L.U. No. 907), a zoning text amendment to ZR Section 74-96 (Modification of Use, Bulk, Parking and Loading Regulations in Industrial Business Incentive Areas) also subject to review and action by the Council; and other related actions not subject to review and action by the Council: N 210441 ZAM, a zoning authorization to provide a curb cut on a wide street; N 210445 ZAM, a zoning authorization to provide for modifications within a Waterfront Public Access Area related to permitted obstructions and bollards; N 210446 ZCM, zoning certification pursuant to ZR Section 62-12(c) related to proposed design changes to a Waterfront Public Access Area and the level of compliance; M 130053(B) ZSM, modifications to the previously approved South Street Seaport / Pier 17 LSGD;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d of the City Charter;

WHEREAS, the City Planning Commission has made the findings required pursuant to Sections 74-743 (a)(1) and 74-743(a)(2) of the Zoning Resolution of the City of New York;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 25, 2021;

WHEREAS, the Council has considered the land use and environmental implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the Positive Declaration issued November 16, 2020 (CEQR No. 21DCP084M) and a Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on October 8, 2021. The FEIS and the Notice of Completion were revised on October 10, 2021, in which the significant adverse impacts related to hazardous materials, air quality and noise would be avoided through the placement of (E) designation (E-621) on the Development Site (Block 98, Lot 1), and an equivalent mechanism on the City owned Museum Site at Block 74, Lot 1. The FEIS identified significant adverse impacts with respect to shadows, open space (due to shadows), historic and cultural resources (architectural resources), transportation (traffic and pedestrians), and construction activities related to traffic and noise. The FEIS also analyzed this amended application (C 210438 (A) ZSM), which identified the same impacts as the original application except that it would not result in significant adverse impacts with respect to historic and cultural resources or open space, and the shadows impact on one open space resource would be reduced but the impact would remain. Other commitments made related to the environmental review will be codified in a Restrictive Declaration.

RESOLVED:

Having considered the FEIS with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) The environmental impacts disclosed in the FEIS were evaluated in relation to the social, economic, and

other considerations associated with the action[s] that are set forth in this report; and

- (3) The adverse environmental impacts revealed in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, pursuant to the Restrictive Declaration dated October 20, 2021, attached as an Exhibit, all as acceptable to Counsel to the Department of City Planning, is executed by 250 Seaport District, LLC, or its successors, and such Restrictive Declaration shall have been recorded and filed on the Office of Register of the City of New York, County of New York, those project components related to the environment and mitigation measures that were identified as practicable; and by the placement of (E) Designations (E-621) on the Development Site (Block 98, Lot 1), and an equivalent mechanism on the city owned Museum Site (Block 74, Lot 1).
- (4) No development pursuant to this resolution shall be permitted until the Restrictive Declaration attached as an Exhibit, as same may be modified with any necessary administrative or technical changes, all as acceptable to Counsel to the Department of City Planning, is executed by 250 Seaport District, LLC, or its successor, and such Restrictive Declaration shall have been recorded and filed in the Office of the Register of the City of New York, County of New York.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 210438 (A) ZSM, incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission with the following modifications:
