### Int. No. 101

By Council Members Brannan, Hanif, Yeger and Won

A Local Law to amend the administrative code of the city of New York, in relation to requiring the placement of temporary priority regulatory signs at intersections within one hour of a report of an inoperable traffic control signal

Be it enacted by the Council as follows:

Section 1. Subdivision e of section 19-128 of the administrative code of the city of New York, as added by local law number 22 for the year 2014, is amended to read as follows:

e. Within [twenty-four hours] one hour of receiving notice that a traffic control signal is missing or damaged to the extent that such signal is not operational or visible to a motorist who must obey or rely upon such signal the department shall place a temporary priority regulatory sign at the location of the missing or damaged traffic control signal. Within 24 hours, the department shall:

- (i) repair or replace such signal, at which point the department may remove the temporary sign if applicable,
- (ii) implement additional alternative measures to control traffic if such repair or replacement will take [greater] more than [twenty-four] 24 hours, or
- (iii) make a determination that repair or replacement is not warranted, at which point the department may remove the temporary sign.

§ 2. This local law takes effect 180 days after it becomes law.
