Int. No. 141

By Council Members Ayala, Won, Farías and Schulman

A Local Law to amend the New York city building code, in relation to power-operated and power-assisted doors

Be it enacted by the Council as follows:

Section 1. Section BC 1109 of the New York city building code is amended by adding a new section 1109.18 to read as follows:

**1109.18 Power-operated doors.** At least one door at an accessible entrance and egress to any Assembly Group A, Business Group B, Education Group E, Institutional Group I-1, I-2 or I-3, Mercantile Group M, Residential Group R-1 or Group R-2 occupancy shall be a power-operated or power-assisted and low-energy door that complies with Section 1010.1.4.2.

§ 2. Section 1111.2 of the New York city building code is amended by adding a new item 6 to read as follows:

**6. At each entrance or egress to a building required to have a power-operated or power-assisted and low-energy door in accordance with Section 1109.18, the nearest such power-operated door.**

§ 3. This local law takes effect January 1, 2023.
