study to assess the feasibility of installing a green roof on at least two schools in each community school district. Such study shall be conducted in consultation with the New York city school construction authority, the department of environmental protection, the department of buildings, and any other office or agency as the mayor shall designate. No later than 180 days after the effective date of this local law, the chancellor shall submit to the speaker of the council a report with the findings of such study.

§ 2. This local law takes effect immediately and expires and is deemed repealed upon the issuance of the final report required by section one of this local law.
