A Local Law to amend the administrative code of the city of New York, in relation to public organic waste receptacles.

Be it enacted by the Council as follows:

Section 1. Subchapter 2 of chapter 3 of title 16 of the administrative code of the city of New York is

b. Public organic waste receptacles installed pursuant to this section shall be emptied by the department at least once per week.

c. The commissioner shall post on the department's website the location of each public organic waste receptacle installed pursuant to this section.
