new subdivision l. to read as follows:

1. A business using a bicycle for commercial purposes, notwithstanding that such bicycle may be

provided by any of its bicycle operators, shall provide at its own expense to each bicycle operator operating

such bicycle, a fireproof or fire-resistant container suitable for use during the charging of the removable storage

battery used to power such motor-assisted bicycle. The requirement contained in this subdivision shall apply

only to bicycles that are motor-assisted, which utilize a removable battery, and which are not charged entirely

on the premises of such business. The fire department shall promulgate rules for determining whether a

container is fireproof or fire resistant pursuant to this subdivision. Such businesses may not require any of its

bicycle operators to provide such containers at such operator's expense.

§ 2. This local law takes effect 120 days after it becomes law.
