The Commission may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

Furthermore, for #buildings# with frontage on two or more #streets#, the Chairperson of the City Planning Commission may certify that the glazing requirements of this Section shall only be applicable to the #street wall# fronting upon the principal #street#, as determined by the Chairperson.

In addition, the Chairperson of the City Planning Commission may, by certification, allow a reduction in the glazing requirements of this Section, provided that the Chairperson finds that such #mixed building# or #mixed use building# is a recipient of #public funding# as defined in Section 23-911 (General Definitions). Upon application, the Chairperson of the City Planning Commission shall certify that a food store #use# is a #FRESH food store#, provided that:

- (a) drawings have been submitted to the Chairperson that clearly specify:

- (1) all #floor area# or #cellar# space utilized as a #FRESH food store#, showing in the form of an illustrative layout, that such designated space is designed and arranged to meet the requirements for food and non-food grocery products, pursuant to Section 63-01;

- (4) the location of the ground floor level #street wall# fronting upon a principal #street#, pursuant to Section 63-23;

(b) a signed lease or written commitment from the prospective operator of the #FRESH food store# has been provided in a form acceptable to the Chairperson for utilization of such #floor area# or #cellar# space and its operation as a #FRESH food store#; and

(c) a legal commitment, in the form of a declaration of restrictions has been executed, in a form acceptable to the Department of City Planning, binding upon the owner and its successor and assigns, and providing for continued utilization of all #floor area# or #cellar# space as a #FRESH food store#, the operation of which shall commence within a reasonable period following the issuance of a temporary certificate of occupancy for the #floor area# or #cellar# space to be utilized by the #FRESH food store#.

Such declaration of restrictions shall provide that the legal commitment for continued occupancy of the #floor area# or #cellar space# as a #FRESH food store# shall not apply during any:

- (1)six (6) month period from the date such #floor area# or #cellar# space is vacated by the operator, provided that the owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; or
- (2) event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Office of the City Register of the City of New York against all tax lots comprising the #FRESH food store#, and receipt of proof of recordation of such declaration in a form acceptable to the Department, shall be a precondition to the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

In granting the certification, the Chairperson may specify that minor changes in store layout consistent with the definition of a #FRESH food store# in Section 63-01 shall not warrant further certification pursuant to this Section.

No later than the date on which an application for certification pursuant to this Section is first submitted, a copy of the drawings submitted pursuant to paragraph (a) of this Section shall be submitted by the applicant to the affected Community Board, which shall have 45 days to review said application. The Chairperson shall not issue a certification for an application during the Community Board review period, unless the Community Board has submitted to the Chairperson comments regarding such proposal or informs the Chairperson that

the Community Board has no comments.

63-31

Requirements for Certificate of Occupancy

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (a) (2) of Section 63- 30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in such drawings until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a) (1) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions shall be noted on any temporary or final certificate of occupancy for the #building#.

63-40

CERTIFICATION FOR CHANGE OF USE OF A FRESH FOOD STORE

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable district regulations.

If a certification pursuant to this Section is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30 shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

63-50

AUTHORIZATION FOR BULK AND PARKING MODIFICATIONS

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts, when a change of #use# of a #FRESH food store# for which a certification has been issued pursuant to Section 63- 30, would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off- street parking spaces under the applicable district regulations, provided that such #use# is permitted by the underlying districts.

In order to grant such authorization, the Commission shall find that:

- (e) due to the market conditions prevalent at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store# will bring a reasonable return;
- (f) the applicant, the operator or a prior operator of such #FRESH food store# has not created, or contributed to, such unfavorable market conditions;
- (g) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the City Planning

Commission that such efforts have been unsuccessful;

- (h) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses# including #uses# within the building; and
- (i) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

If such authorization is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30, shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#. In issuing authorizations under this Section, the Commission may impose conditions and safeguards, to minimize adverse impacts on the character of the surrounding area.

63-60

COMPLIANCE

No later than June 30 of the year, beginning in the first calendar year following the calendar year in which certification was made and at three year intervals thereafter, the Chairperson shall be provided with an affidavit, in a form acceptable to the Department of City Planning, regarding compliance with the requirements of the declaration of restrictions and the regulations of this Chapter, as of a date of inspection which shall be no earlier than June 1st of the year in which the affidavit is filed. Such affidavit shall be provided by the owner(s) of the tax lot(s) on which the #FRESH food store# is located. Such affidavit shall include, without limitation.

- (a) A copy of the original #FRESH food store# certification letter and if applicable, any approval letter pertaining to any other authorization or certification pursuant to this Chapter;
- (b) A statement that the #floor area# or #cellar# space that was certified to be operated as a #FRESH food store# continues to be operated as such in accordance with the declaration of restrictions; and
- (c) Photographs documenting the condition of the #FRESH food store# at the time of inspection, sufficient to clearly show all #floor area# or #cellar# space operated as a #FRESH food store#.

Failure to comply with a condition or restriction in an authorization or certification granted pursuant this Chapter or with approved plans related thereto, or failure to submit a required compliance report, shall constitute a violation of this Resolution and may constitute the basis for denial or revocation of a building permit or certificate of occupancy, or for a revocation or such authorization or certification, and for all other applicable remedies.
