ages 13 and older a survey regarding such youth's identification as a member of the LGBTQ+ community, racial identity, and placement into permanent homes. For youth placed with foster parents, such surveys shall be administered in a location other than the foster parents' home, or administered online or through a mobile application. ACS shall explain the purpose of the survey and how the privacy of survey respondents will be protected.

c. No later than 120 days after the administration of the survey required pursuant to subdivision b of this section, ACS shall submit to the speaker of the council and make available on its website an anonymous report aggregating information on youth in foster care including:

1. The number of youth in foster care;
2. The number of youth in foster care who have been placed in a permanent home;
3. The number of youth in foster care who identify as LGBTQ+;

5. The number of youth in foster care who identify as LGBTQ+ disaggregated by specific LGBTQ+ identity;
6. The number of youth in foster care who identify as LGBTQ+ who have been placed in a permanent home disaggregated by specific LGBTQ+ identity;
7. The racial identity of youth in foster care;

9. The combined racial and LGBTQ+ identity of youth in foster care; and

information relating to youth in foster care or that would interfere with law enforcement investigations or otherwise conflict with the interests of law enforcement. If any category requested contains between 1 and 5 youth in foster care, or allows another category to be narrowed to between 1 and 5 youth in foster care, the number shall be replaced with a symbol.
