Int. No. 1634

By Council Member Constantinides

A Local Law in relation to a study on suspending parking meters for communal nonsecular

Be it enacted by the Council as follows:

Section 1. Feasibility study on suspending parking meters for communal nonsecular services. a.

Definitions. For purposes of this local law, the following terms has the following meaning:

Communal nonsecular service. The term "communal nonsecular service" means a formalized period of

community worship, held routinely and in a consistent location for that nonsecular congregation.

b. The Department of Transportation shall conduct a study to make findings and recommendations on

the feasibility of suspending parking meters during hours of communal nonsecular service. Such study shall

examine, at a minimum, a sampling of times and locations of communal nonsecular services in a defined area

of such department's choosing in each borough; shall identify possible challenges in implementing such a

policy; and make recommendations on how such challenges could be addressed. The department shall submit to

the Speaker of the Council a report of such study that contains its findings and recommendations no later than

one year after the effective date of this local law.

§ 2. This local law takes effect immediately and expires and is deemed repealed upon final submission

of the report as required by section 1 of this local law.
