RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set for in the Negative Declaration.

Pursuant to Section 197-d of the New York City Charter, based on the environmental determination and the consideration described in the report C 190286(A) HAK and incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission and the HPD Requests.
