A Local Law to amend the administrative code of the city of New York, in relation to prohibiting the sale of flavored cigarettes

Be it enacted by the Council as follows:

Section 1. Section 17-713 of title 17 of the administrative code of the city of New York is amended to read as follows:

Characterizing flavor. The term "characterizing flavor" means a distinguishable taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product, cigarette, electronic cigarette or e-liquid, including, but not limited to, tastes or aromas relating to any menthol, mint, wintergreen, fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcoholic beverage, herb, spice, or any imparted cooling or numbing sensation, or any concept flavor that imparts a taste or aroma that is distinguishable from tobacco flavor but may not relate to any particular known flavor; provided, however, that no tobacco product shall be determined to have a characterizing flavor solely because of the use of additives or flavorings or the provision of ingredient information.

Cigarette. The term "cigarette" means any roll for smoking made wholly or in part of tobacco or any other substance, irrespective of size or shape and whether or not such tobacco or substance is flavored, adulterated or mixed with any other ingredient, the wrapper or cover of which is made of paper or any other substance or material but is not made in whole or in part of tobacco.

Electronic cigarette. The term "electronic cigarette" has the same meaning as such term is defined in

section 20-560.

E-liquid. The term "e-liquid" has the same meaning as such term is defined in section 20-560.

Flavored cigarette. The term "flavored cigarette" means any cigarette that imparts a characterizing flavor. Any communication, public statement or claim made or disseminated by the manufacturer or retailer of a flavored cigarette, or by any person authorized or permitted by the manufacturer or retailer to make or disseminate public statements concerning such cigarette, that such cigarette has or produces a characterizing flavor, or that the cigarette imparts a taste or smell or a cooling or numbing sensation, other than the taste or smell of tobacco, shall constitute presumptive evidence that the cigarette is a flavored cigarette.

Flavored electronic cigarette. The term "flavored electronic cigarette" means any electronic cigarette that imparts a characterizing flavor. A public statement or claim made or disseminated by the manufacturer or retailer of an electronic cigarette, or by any person authorized or permitted by the manufacturer or retailer to make or disseminate public statements concerning such electronic cigarette, that such electronic cigarette has or produces a characterizing flavor shall constitute presumptive evidence that such electronic cigarette is a flavored electronic cigarette.

Flavored e-liquid. The term "flavored e-liquid" means any e-liquid that imparts a characterizing flavor. A public statement or claim made or disseminated by the manufacturer or retailer of an e-liquid, or by any person authorized or permitted by the manufacturer or retailer to make or disseminate public statements concerning such e-liquid, that such e-liquid has or produces a characterizing flavor shall constitute presumptive evidence that such e-liquid is a flavored e-liquid.

Flavored tobacco product. The term "flavored tobacco product" means any tobacco product that imparts a characterizing flavor [other than menthol, mint and wintergreen]. A public statement or claim made or disseminated by the manufacturer or retailer of a tobacco product, or by any person authorized or permitted by the manufacturer or retailer to make or disseminate public statements concerning such tobacco product, that such tobacco product has or produces a characterizing flavor, [other than menthol, mint and wintergreen,] shall

constitute presumptive evidence that the tobacco product is a flavored tobacco product.

Person. The term "person" means any natural person, partnership, firm, joint stock company, corporation, or employee thereof, or other legal entity.

Tobacco bar. The term "tobacco bar" has the meaning as such term is defined in subdivision jj of section 17-502.

Tobacco product. The term "tobacco product" means any product which contains tobacco or nicotine that is intended for human consumption, including any component, part, or accessory of such product. Tobacco product shall include, but not be limited to, any cigar, little cigar, chewing tobacco, pipe tobacco, roll-your-own tobacco, snus, bidi, snuff, tobacco-containing shisha, dissolvable tobacco product, or nicotine pouch. Tobacco product shall not include cigarettes or any product that has been approved by the United States food and drug administration for sale as a tobacco use cessation product or for other medical purposes and that is being marketed and sold solely for such purposes.
